Violent & Property Crimes

UCR classifies homicide, forcible rape, robbery, and aggravated assault as violent crimes. Burglary, theft, auto theft, and arson are classified as property crimes. In 2015, 91.25% of the reported Part I crimes to the Fairfield Police have been property crimes. Using the latest published UCR data from 2013, Chart 1 and Chart 2 compare the violent and property crime rates in Fairfield to the overall rates in Ohio² and to the rates in the cities of Hamilton and Middletown³. Property Crimes

Chart 3 provides statistical information on burglaries. For 2015, burglaries account for 20.5% of all reported property crimes. The vast majority of burglaries occur in residential areas. These burglaries often occur during daylight hours when homeowners are at work or on vacation, and entry is often gained through unlocked doors and windows. Visit our [Home Security](#) webpage for more information on burglary prevention.

Chart 3 also provides statistical information on the various types of theft committed in the City of Fairfield⁴. For 2015, thefts *from* autos account for 10.95% of all reported property crimes. These thefts are often the most reported Part I crime to the Fairfield Police Department but one of the easiest to prevent. Visit our [Thefts from Vehicles](#) webpage for more information on how to prevent becoming a victim of this common crime.
